

FOSTER HOME GUIDELINES, RESPONSIBILITIES, and RELEASE OF LIABILITY

Please read and initial where a blank appears.

I AGREE to care and love ANY foster dog given to me by RDR as if it were my own.

I AGREE to provide the dog with exercise, basic obedience training and housetraining.

I UNDERSTAND that general training information is provided in RDR's Information Pack; that obedience training is available on a regular basis with a RDR trainer; and that training greatly increases a dog's chance of being adopted.

I AGREE to bring the dog to at least one RDR mobile adoption event each month. I agree to sign up for the RDR Yahoo Group so I can be notified of events (info is also on the website)

SPAY/NEUTER & VACCINATIONS

I UNDERSTAND that all dogs placed in foster care need to be spayed/neutered and vaccinated. If I receive an unfixed dog, RDR may request that I schedule an appointment with a designated RDR veterinarian and assist in transporting the dog to and from the appointment. If I cannot arrange to do the transport myself, I will call my RDR representative and assist in any way I can.

I UNDERSTAND that no dog CAN be adopted before being spayed or neutered.

EXPENSES COVERED BY RDR

I UNDERSTAND that all basic medical expenses for each foster dog that comes into my care will be covered by RDR, provided that an authorized RDR representative has approved the medical expenses, and the care is from a RDR designated veterinarian.

I UNDERSTAND that if I choose to go to a vet of my choosing, I may be responsible for most of the vet bill.

I UNDERSTAND that RDR will provide a collar, tag, and leash for each foster dog that comes into my care.

RDR appreciates willingness to donate toward the dog's general expenses, like food, treats, etc., and RDR will offer donated items, as available, for use by foster homes (Such general expenses, if paid for by a foster home and not by RDR, may be tax deductible.) Crates can be lent to foster homes and returned to RDR when a foster dog is adopted.

DOG DESCRIPTION AND PHOTO ON WEBSITE

I AGREE to assist in getting a photo of each foster dog that comes into my care on the RDR website. I agree to either take a photo and write a short description myself, and submit it to my RDR representative for review and assistance, or ask for assistance in taking the photo and writing the description of each foster dog in my care.

I UNDERSTAND that I can and should also advertise on Craigslist, in local shops, on other websites, with friends, at the dog park, and anywhere else dogs can be advertised for adoption.

ADOPTION/TRANSFER

I UNDERSTAND that any potential adopter MUST be screened, interviewed and approved by an authorized RDR representative. I understand that my input will be appreciated and a part of the process, and that the final decision to place or not to place any particular dog with any particular potential adopter will be made by an authorized RDR representative.

I AGREE to let RDR know if prospective adopters may contact me directly by phone or email, and to send copies of any email inquiries to my RDR representative. If it is possible for a prospective adopter to visit my home to meet the animal, I will arrange for a RDR representative to be there during the visit.

___ I/We understand that even if this animal has been housed with cats in its foster home that ROCKET DOG RESCUE cannot guarantee the behavior with a new cat(s) will be the same. Please use caution when introducing a new dog to existing cats in the household and do the introduction slowly over a period of a few weeks, keeping the dog on leash. ___ I UNDERSTAND that if I decide to adopt a foster dog in my care, I must go through the adoption process, including paying the requested donation. (Donations are used to help cover costs to save and help more dogs.)

___ I UNDERSTAND that if I need to return a dog to RDR's care, for any reason, enough forewarning is necessary for RDR to locate a new foster home placement for the dog, and that this process may take a week or more, depending on the dog and the number of other dogs in foster care.

Rocket Dog Rescue retains the right to remove a foster dog from my care at any time.

ROCKET DOG RESCUE (RDR)

FOSTER HOME GUIDELINES, RESPONSIBILITIES, and RELEASE OF LIABILITY

DATE _____

This document provides for the release of liability of Rocket Dog Rescue, Inc. (RDR) and its volunteers on account of the actions of any dog of any breed, which has been released into the ownership of RDR and placed into the care of a Foster Care Provider ("any fostered dog").

I, _____ the Foster Care Provider named above, understand that RDR and its volunteers cannot guarantee actions or disposition of any fostered dog placed into Foster Care with me. I understand that although reasonable effort has been made to assess the disposition of each dog released to RDR beforehand but, being living animals, they may act unpredictably in any given situation, and that I must take necessary precautions to prevent accidents and guard against unpredicted actions by any fostered dog in my care. ___I promise to take adequate care of any fostered dog in my care by providing nutritious food, plentiful water, and adequate shelter, as well as control of external parasites (fleas and ticks).

___I promise to notify RDR if any fostered dog in my care is in need of veterinary care such as vaccinations, routine testing and refill of heartworm preventive or treatment for illness. At no time will I allow any fostered dog to be a nuisance to people or other animals.

___I promise to keep any fostered dog in my care safely confined in a fenced yard or kennel run or inside a house or garage when the dog is not with me or a member of my family.

___I promise that at no time will any foster dog be placed outside on a tie-out (in a yard, in front of café, store etc.)

___I promise that when off of my property, any fostered dog will be kept on a leash at all times unless I have approval from a senior RDR volunteer. In that case the dog can only be off leash in a safely enclosed dog play area. Bully breeds and large dogs shall never be allowed off leash and shouldn't go to a dog park even if they are on leash.

___I understand that RDR recommends the use of a dog crate for confinement inside the house and requires the use of ID tags on the dog's collar in accordance with California law. I understand that fostering a dog for RDR is not the same as adopting a dog, and that any fostered dog must be made available to Prospective Adoptive Owners referred by RDR for viewing for possible permanent Adoption. If I wish to adopt any fostered dog, I understand I must complete an Adoption Application and be responsible for the donation requested at the time of adoption. If I find a prospective adopter for my foster dog I will contact a senior RDR volunteer and I promise not to give the dog over to anyone until an adoption has been approved and an agreement has been signed.
